

# Black Lane School Council Newsletter

Volume 1, Issue 1

8th May 2018

## What we are working on:

Improving the KS2 playground area

Organise fund raising events for important charities

## What we have been up to:

We meet every half term to discuss ideas on how to improve our school. We have installed benches to ks2 playground so that people can use it for quiet activities such as reading, colouring and resting. A big thank you to Mr. Nikolic for creating the shed on ks2, we now have to make sure there are play boxes for the children to use. Please do not play around the shed or kick balls at it! We arranged for exercise bikes to raise money for sports relief. Every child from years 3-6 had 5 minutes to ride as far as possible. The winners where:

- Yr3-Riley
- Yr4-Joseph
- Yr5-Leon Ra
- Yr-6-Mannie

We all ran a mile as well and we managed to raise £265.

We also interviewed for a head teacher and a deputy head teacher this term. And we are pleased to announce that our head teacher is Mrs Fox and deputy head teacher is Mrs Peters.

We are now aiming to finish our trim trail by installing some soft surfacing around it, but its very expensive! We are also aiming to organise our first Race for Life event to raise money for cancer.

Design for our new bench area on KS2 playground

## What we have achieved so far:

- We ran a mile and used exercise bikes to raise money for Sports Relief—we raised £265!
- A shed has been installed on KS2 playground
- Creative Play have installed a bench area for KS2 playground

## We need your ideas!

If you have any ideas about how we could improve our school then please speak to a school councilor or put your ideas in our 'suggestion box'

## Important School Council Dates:

Friday 18th May 2018 School Council to visit Mayors parlour  
Monday 25th June 2018 School Council Meeting

We used the exercise bikes for 5 minutes to cycle as far as we could
