Our Eco Reminder

Remember plastics are toxic to our environment—reduce, recycle, reuse!

What we have been up to:

We have been working on our action plan. We arranged a trip to the recycling centre for KS2 to learn where our rubbish goes and how it is recycled. Chester zoo has visited our school to tell us about palm oil and how it affects our environment.

Snowdon did a topic on palm oil and deforestation. We also did a letter to different people that sell palm oil products and we got a letter back from 10 Downing Street! Also we did a global citizenship week, where we all voted for a country we wanted to learn about.

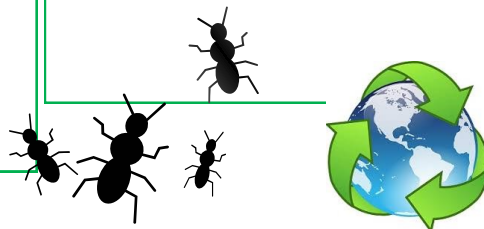

- Moel famau: Italy
- Moel hebog: China

- Moel siabod: Fiji
- Cadair idris: Kenya
- Tryfan: Italy
- Snowdon: Australia

Everyone learned about that country and did activities and even learned and tried some food from that country!

We did Wellbeing week and looked at how to keep our minds healthy under the 5 ways to wellbeing headings: 'Take Notice', 'Be Active', 'Keep Learning', 'Give' and 'Connect'.

And we are now planning our eco day. Which will be on the 10th of July.

What we are working on:

To Recycle.
Reduce and Reuse

We need your help!
We are trying to reduce the amount of plastic—reuse bags and bottles wherever possible

Important Eco Dates:

Wednesday 10th July 2019 Eco Day
