

At home learning Activities-

These tasks are to support learning choose those which best interest and support your child. Have fun!!

Most of these tasks focus on our topic for this half term of the Evil pea in Wales. The Evil pea is from the Supertato stories by Sue Hendra and Paul Linnet.

 <p>Writing Station</p> <p>Write me a message starting with the sentence</p> <p>I really wish my teacher knew.... Eg. I really wish my teacher knew how much I love dogs I have two at home. They are called ...</p> <p>Tell me something you would love me to know I can be about anything you like. Remember finger spaces, full stops and super sounding out.</p>	<p>Book nook</p> <p>Find your favourite book at home.</p> <p>Can you draw a picture of the cover and write me at least one sentence about why this book is your favourite.</p> <p>Can you use sounding out, finger spaces, full stops and a wow word to describe it?</p>	<p>Oracy task</p> <p>Can you tell a member of your family all about your reading book?</p> <p>What happens? Which characters are in the story? Which part do you like the best? Can you say why?</p> 	<p>Maths Area</p> <p>Can you find as many ways as possible to make 10p you can use 1p, 2p, 5p, 10p</p> <p>Then can you try and make other amounts up to 10p using the fewest number of coins.</p> <p>year ones- can you find out how much change you will have if you buy something costing, 6p, 8p, 4p and 5p.</p> <p>Then can you find as many ways as you can of making 20p?</p>
<p>Construction</p> <p>Can you use blocks, boxes or another material to make a tower taller and then shorter than you. Send me a picture if you can.</p> <p>Can you measure three places in your house using your foot as a measurement. Eg my room is 20 foot steps long.</p> <p>Can you then find the shortest and the longest room.</p>	<p>Small world Imaginative play</p> <p>Can you use your evil pea when you are playing and take him on different adventures. If you can take pictures so that you can tell us about it when we are back in school.</p>	<p>Let's Investigate</p> <p>We have been finding out all about Wales and castles in Wales. Can you chose your favourite Welsh castle and find out 5 facts about it. Find a way of presenting this so we can share it with the rest of our class.</p>	<p>Table top Games</p> <p>Can you play a game with a member of your family?</p> <p>Make sure you take turns, share, work together and congratulate the winner.</p>
<p>Malleable/ cooking</p> <p>Use the recipe on the link below to make biscuits. Can you decorate them?</p> <p>https://recipes.sainsburys.co.uk/recipes/baking/easy-biscuits</p>	<p>Design and Make</p> <p>Can you make a vegetable friend for evil pea, you can use any materials or objects you have at home for this. I cant wait to see who you make.</p>	<p>Water</p> <p>Can you explore different containers in your house- try filling them up so that they are-</p> <ul style="list-style-type: none"> - Full - Empty - Nearly full - Nearly empty <p>Then choose one bigger container and a smaller one. Can you guess how many of the smaller container it will take to fill the bigger container. When you have made your guess test to see if you were right.</p>	<p>Physical/ Movement</p> <p>Can you see how many different actions you can do in 1 minute.</p> <p>Eg - hops, jumps, star jumps, claps, spins</p> <p>Then try 2 minutes.</p> <p>Do some yoga activities using cosmic kids to help you -</p> <p>https://www.youtube.com/user/CosmicKidsYoga</p>
<p>Word Detective</p>  <p>Can you-</p> <p>Play I spy</p> <p>The what am I game? - give clues and see if people can guess what you are</p> <p>Play games learning your letters and key words. How many can you read and write?</p>	<p>ICT</p>  <p>Useful websites to help you learn at home-</p> <p>www.twinkl.co.uk www.topmarks.co.uk www.gonoodle.com www.crickweb.co.uk</p>	<p>Outdoor</p> <p>Go for a walk or into your garden/ outdoor space-</p> <p>Sit quietly for 3 minutes- draw me a sound map of what you can hear.</p> <p>Can you make shapes using leaves, sticks and stones- try and make a tringle, circle, square and rectangle.</p>	<p>Welsh development</p> <p>Have a look at the weather every day-keep a weather diary and try and practice your welsh- can you tell you family what the weather is in welsh?</p> <p>Remember Sut mae'r tywydd heddiw? - what is the weather today</p> <p>Mae hin- it is.... Heulog- sunny Stormus- stormy Bwrw glaw- raining gwyntog- windy Bwrw eira- snowing Gymylog- cloudy</p>

The four core areas of learning for children ages 3-7 are below, these are some possible areas or activities you could do with your child to support their development and encourage learning. Where possible keep activities practical, fun and entertaining- outdoors activities and being physical is proven to support learning.

Language and literacy development	Mathematical and numerical reasoning development
<ul style="list-style-type: none"> • Play I spy or the 'what am I game?' • Writing messages or notes to family members, friends or neighbours. • Making up stories and telling them to friends, teddies and family. • Writing letters, cards, postcards or stories. • Reading stories, poems, labels and recipes • Phonics apps and online reading and sound games. • Making letters and words in the garden from sticks, stones or leaves. • Writing describing words for things you can see or hear outside. • Singing songs and nursery rhymes. • Research a topic that you have always been interested in eg space, dinosaurs. 	<ul style="list-style-type: none"> • Counting objects at home- eg cars, sticks, leaves, stones sorting into two groups then combining to add or removing to take away. • Writing numbers in paint, coloured pens or sand. • Baking - time, weight, measurements, capacity- how full, empty, how much liquid? How many? Etc • Time- looking at o'clock what time might we eat lunch, go to bed etc. • Can we time ourselves- how many times can we run, hop jump etc in a minute • Shape hunts- which 2d and 3d shapes can we find in the house. • Sorting things thinking of different criteria eg, red cars and blue cars, then can you sort them by blue cars with 2 doors and blue cars with 4 doors etc. •
Physical development	Personal and social development
<ul style="list-style-type: none"> • Cutting smaller and larger shapes or pictures- eg people from magazines or comics. • Threading beads, sewing or knitting • Playing with play doh- making your own is lots of fun and there are lots of quick and easy guides online. • Any physical outdoor activities where you move your bodies- running, jumping, rolling over, hopping, skipping • Collecting sticks and building dens or forts. • Yoga see cosmickids on you tube • Sign up to go noodle(its free) - lots of practical activities and dances our class love these we do them often. • Pretending to be different animals- move like them. Eg can you hop like a kangaroo 	<ul style="list-style-type: none"> • playing snap and turn taking games • Making cards or kind messages for other family members or neighbours. • Caring for plants or pets. • Helping with at home tasks- cleaning, washing up, hoovering. • Develop own self care skills- tooth brushing, fastening buttons and zips, getting dressed and tidying bedrooms. • Thinking about healthy foods- having enough fruit and vegetables a day and drinking lots of water. • Keeping active and how our heart and bodies feel when we move around.
