

Activities 15.6.2020 ~ Up In The Sky

Language, Literacy and Communication	Mathematics and Numeracy	Personal and Social Development	Knowledge and Understanding of the World	Physical Development	Creative Development
<p>Let's learn Z Z have you ever heard a bee buzz? (Jolly Phonics link below) Make a bee puppet (Minibeast craft ideas below) Can you make your bee say zzzzzz?</p> 	<p>Temperature activity What do we wear in different weather. What is the weather like today? How does it feel? What will you wear? Can you sort some of your clothes by thinking about when you would wear them? Would you wear your woolly hat on a hot day? Weather matching sheet link below</p>	<p>Cbeebies sun safety song. What do you need to stay safe in the sun? Can you make a collection? Maybe some sun cream, a hat, a drink, a parasol, some sun glasses.</p>	<p>Finding out about Shadows On a sunny day go outside and find your shadow. Can you make your shadow move in different ways? Can a grown up draw around your shadow? Look at your shadow at different times of day. What has happened? Talk about why there are shadows and how they are made.</p>	<p>Weather tracing sheets (links below) Can you find a rain puddle to jump in? Can you make your shadow make different shapes?</p>	<p>Can you paint, colour or glue a beautiful rainbow? Maybe you would like to make a different weather picture :)</p>

Birds nest craft

Can you build or draw a
bird's nest?

Can you put some eggs
inside?

(there's a printable egg
below)

Can you decorate the
egg and write e?
