Dear Ms Fox

Ref: Donation of Toys and Gifts

Thank you so much for the lovely gifts you brought to us from the Children and Teachers at Blacklane Primary School. We were very touched and truly grateful for everyone's kindness and generosity.

We are humbled by the trust that so many people put in us not only at Christmas but all year round. Subsequently, we recognise that the work that we do is not only an expression of our Christian love but also of the desire of folks such as yourself to bring love and joy to the lives of others within our community.

Through the recent Christmas period the donations we received ensured that 400+ children had presents to open on Christmas morning. In addition 60+ homeless people who have been housed in temporary accommodation during the Covid Crisis received a Christmas Hamper each. Also 27 people in Adult Residential Units who were unable to go to stay with relatives received a Christmas Hamper and Gifts.

Similar work continues all year round as we seek to serve all parts of our local community.

We are blessed to have the manpower and facilities to carry out this essential community service but equally blessed by your financial support.

Many thanks and God Bless,

Ian Davis
