### **Amazing Waste Cookbook**

Can you reduce your food waste by cooking your leftovers?

[https://westsussex.wastebusters.org/wp-content/themes/wss/asstes/activity\\_pdf/AmazingWasteCookbook.pdf](https://westsussex.wastebusters.org/wp-content/themes/wss/asstes/activity_pdf/AmazingWasteCookbook.pdf)

### **Litter Pick**

Help to keep our local area clean and litter free. Keep a record of the different types of litter you find and show your findings in different ways, e.g. table, bar chart, pie chart.

### **Renewable Energy**

Are there any forms of renewable energy in or around your home? What do they use to make electricity? Can you find out about different forms of renewable energy in Cymru?

### **Natural Art**

As summer turns to autumn, can you use natural materials to create a piece of natural art outside?

Have a look at Tim Pugh or Andy Goldsworthy for inspiration.
