

## Suggested Home Learning - 'Once Upon a Time'

Moel Siabod a Moel Hebog

- Draw yourself as a Fairy Tale character. Will you be a hero, villain or even a magical creature? Can you label the drawing with descriptive adjectives?
- Find a traditional tale in the library or online. Ask an adult to read it with you or you could read it to them.
- The three bears had small, medium, and large sized bowls. Can you find items in your house and order them from smallest to largest?
- Think of a traditional tale you have enjoyed listening to in school. Can you tell the story to someone in your house? You could use actions or different types of voices to make it exciting to listen to.
- The Three Little Pigs used different materials to make their houses. Design a home you would like to live in. You could draw it, make it in Minecraft or use Lego or blocks.
- The Three Bears ate porridge for breakfast which is a healthy choice. What do you like to eat for breakfast? Can you help your grownups make the breakfast for the family at a weekend?

If you would like to do any of these activities, please share some pictures of your work on Class Dojo.
